Approved June 2025

I. Annual WCLL League Meetings:

Annual meeting of the Executive Board and Members will be held the first weekend of November, via online meeting or in person. The meeting is mandatory for members and open to non-members of the league. Any member that misses a league meeting will not be allowed to participate in the league that year, unless there are extenuating circumstances approved by the executive board.

Each WCLL board member will have a travel allowance allotment that covers the cost of their hotel room and dinner on the (Saturday) night before the conference meeting on Sunday. No other travel expenses will be covered for any team or board member.

II. Season

Requirements

All teams are required to play a minimum of 5 games within their region, as well as 3 games against other WCLL or WCLO teams (outside of their division) to equal a minimum of 8 games. Should two regional teams elect to play each other twice in the regular season, only one game will count towards regional standings. The first game they play will count towards their regional standings and should be denoted properly on the official league schedule. In the event that the regional standings game is unable to be played, the board will determine the regional rankings based on their games against other regional opponents.

Teams must be Women's Collegiate Lacrosse Organization (WCLO) members. They must also abide by WCLO policy and play the required number of WCLO games to maintain their WCLO eligibility status (please see the WCLO Operating Procedures/Bylaws document to ensure annual compliance).

2025 WCLO Game Requirement

- 1) 8 regulation games versus any WCLO opponent are required to be an 'eligible' WCLO team
- 2) 8 games versus D1 or D2 WCLA/WCLO teams are necessary to be eligible for an at-large bid to the National Tournament

After league playoffs, teams may request to switch between Black and Gold region. If a team move is approved, the team may not move again for a minimum of 2 seasons. Provisional Teams must move to full member status within 2 years of joining to WCLL.

III. League Game Schedule

League games shall be determined prior to the start of the season (new calendar year).

Scheduling Submission and Approval Process:

- Preliminary draft schedules should be submitted to the League President by the annual assigned date.
- Final schedules are due to the League President by the second Friday of January or before. In advance of submitting final versions, teams should individually confirm each game time, date, and location by email with EVERY scheduled opponent to ensure there are no discrepancies between team submissions.
- Placeholders for in-season tournaments should be notated on the team's schedule even if your tournament opponents are unknown at the time of your submission. Use a TBD notation for each anticipated tournament opponent.
- Changes to a team schedule should be completed by the second Friday in January of each calendar

year.

- The league schedule becomes final on the second Friday in January of the new calendar year. Any game changes made after this deadline are subject to a \$25 fine for the change
- The league will administer only official regulation in-season games. The league is not responsible and will assume no liability with regards to unofficial scrimmages, warm-up games or other non-regulation games between member teams or other.

Schedule must be submitted on team website by second Friday in January.

Schedule Modification and Rescheduling Process:

If a team requests a change in game time, date or location for reasons other than weather or natural disaster after the first second Friday in January, the Regional Assignor will only review your request if both teams are able to negotiate and agree on an acceptable alternative date, time, location and are able to have officials available for assignment to the newly agreed upon circumstances. If both teams are unable to negotiate an acceptable alternative, the originally scheduled/previously approved game is binding. The Regional Assignor must approve any change to the league schedule after the second Friday in January and reserves the right to deny any request for good cause.

Rescheduling games after the second Friday in January: If games need to be rescheduled due to weather conditions, natural disasters that disrupt field conditions:

- A. The home team will notify the visiting team and both officials of the change as soon as it is known. If the team uses an assignor of officials, the home team shall follow the assignor's policy.
- B. If the game is canceled after any officials have embarked to the location of the game, please refer to the CWLOA and WCLO Umpiring Fees and Policies document.
- C. The home team shall propose at least three reasonable substitute dates and times within 72 hours of the cancellation.
- D. In the event of possible inclement weather for an upcoming game, it is **STRONGLY** suggested that both teams communicate to each other, the local assignor, assigned officials and the Regional Assignor, the status of the game prior to either team's departure. The method of communication should begin by phone, followed with an email. An attempt should repeatedly be made to contact any and all of the opposing team's contacts until contact is made, if the first contact is not available to be reached.

IV. League Divisional Standings

Win/loss records of the participating teams shall determine regional standings.

V. Score Reporting and All League Nomination Procedures Game results are to be submitted electronically by both teams on the team's online administration page of the league, within 24 hours of the game. A \$5 fine will be assessed to any team not meeting this requirement for their first offense. A second offense results in a \$50 fine, a \$100 fine for the 3rd offense, and an additional \$100 increase for every violation thereafter. Teams can submit official games scores/player statistics/all-region nominations (as applicable) by logging into their individual team area of the league website. Additional penalties could also be levied by the Board, up to and including team probation and expulsion from the league. "These possible additional penalties" levied by the Board should be conveyed to the Board for appropriate feedback and fairness, and voted upon by the board.

VI. League Regional Tie Breaking Procedures

Should one or more ties occur when determining the regional standings, the tie or ties will be broken statistically in the following order:

- A. Head to head game outcome.
- B. Comparison of win / loss records, involving only the regional games between the tied teams.
- C. Comparison of average goals allowed, involving only the regional games between the tied teams
- D. Comparison of average goals allowed, involving all regional games played by the tied teams.
- E. Blind draw conducted by the President in the presence (either in person or by visual electronic means) of the tied teams. "Electronic means" should be mutually agreeable by both teams and not limited to live over-the-Internet methods or visually recorded and made available to both teams. If a mutually agreeable method cannot be reached by both parties, the Board, by majority vote, will determine the method of how the blind draw will be conducted to ensure fairness.

VII. League At-Large Divisional Selection / Seeding Tiebreaker Guide The following guidelines should be used by the WCLL Board to break ties within their selection and seeding discussions. The Committee is charged with selecting the additional at large teams until a complete field is filled as well as select two-additional alternate teams to be used should a team(s) forfeit their bid prior to the start of playoffs. (See Section XIX regarding conflicts of interest of voting members)

A. Ties for WCLL at-Large seeding shall be broken according to the following (2 Teams, WCLL regional games only)

For unforeseen circumstances not covered by the above, the Board, by majority vote, will determine a fair and reasonable section and seeding process for League playoffs.

VIII. Student-Athlete Eligibility

It is up to the member institution and coaches involved to respect and carry out all eligibility rules so that all games involve equitable competition between students-athletes.

Use of an ineligible player will result in a team's automatic forfeiture of the game(s) in which the player played while ineligible. Use of an ineligible player may also result in probation for the team for a period of time, probation from post-season league play and the banning of the individual from All-League activities. These decisions are to be made by the Board and can be applied retroactively.

Note for WCLO Member Teams: be advised that student-athlete eligibility rules of the WCLO and WCLL are not identical. Teams are required to review the WCLO's Operating Procedures/Bylaws document regarding student-athlete eligibility to ensure annual compliance. Questions regarding WCLO eligibility rules should be directed to the WCLO's Eligibility Committee Chair or Commissioner.)

To eliminate ambiguity and disputes, the WCLL will use the following eligibility rules:

- A. Student-Athletes must be enrolled as a full time student in a program of studies as defined by the institution that they are representing. The WCLL Board and/or WCLO will rely heavily on the member school's registrar (not club sports office) to confirm a student-athlete's full-time status at the institution they are representing should it come into question. (Coaches and player reps are encouraged to verify their rostered players eligibility prior to playing them in a regulation game.)
- B. Student-Athletes must maintain a minimum of a 2.0 grade point average and be in good academic standing with the institution they are representing.
- C. Students in bridge programs, sister schools, consortiums, or other such affiliated programs shall not be eligible to participate.
- D. Graduating Seniors: A student-athlete who has already accepted a diploma from her institution may no longer participate in any WCLL contest unless she is continuing her coursework at the same institution pursuing another degree and has eligibility remaining.
 - 1. Exemption: A student-athlete who has completed the required curriculum to graduate at her institution may still participate provided she remains enrolled at her institution and takes at least one unit or one course at her institution and has not accepted a diploma. (WCLO teams, please review the current WCLO Operating Procedures regarding player eligibility to ensure annual compliance.)
- E. A player may only play four regular seasons of college lacrosse in the WCLL, WCLO, NCAA, NJCAA, NAIA, or similar level combined.
 - 1. There is no clock. A player may have as many years as she desires to complete her four years of college play.
 - 2. There is no transfer rule that forces a student-athlete to sit out a year if she transfers institutions.
- F. Movement of athletes between A Division and B Division teams within a single program
 - 1. Should a member school have teams within both A Division and a B Division; a player is allowed to move up from the B Division team to the A Division roster but cannot be moved back down in the same season. Further, all players listed on the A Division roster at the beginning of the season may not be moved to the roster of the B Division team. Applicable and allowable changes in rosters must be updated with the league as required.
 - a. Please note, the WCLO caps the number of players that can be moved between teams who have a defined A/B structure. Teams belonging to the WCLO are required to adhere to WCLO policy regarding player movement. Please review the current WCLO Operating Procedures regarding player movement to ensure annual compliance.
- I. A player that has played in any NCAA/NJCAA regular season regulation lacrosse game may not play in any WCLL level game in the same spring season.
 - 1. After February 15th, any player currently receiving a lacrosse scholarship from her institution

and/or is practicing/participating with the NCAA team is ineligible for WCLL play.

J. After February 15th or by your first game, whichever is earlier rostered players of a WCLO member team cannot practice with, scrimmage with or play with any organized or affiliated college level lacrosse team during the same regular season of WCLO play. This includes but is not limited to varsity level programs and programs with B/C/JV teams or other. Rostered WCLO players should be participating with the WCLO member ONLY during the regular season.

K. WCLO Hardship waiver requests must be made to the WCLO Eligibility Chair by February 15th of each season.

VIV. Eligibility Appeals

In the event that a team believes that a student-athlete is eligible to compete despite not meeting all of the rules in Section VIII above, a written appeal may be made to the Commissioner. The Commissioner will forward all requests to the Board for a vote. A 2/3- majority vote of the members of the Board is required to grant the appeal. Players in question are not eligible to compete until their team has received a written confirmation from the Commissioner concerning their appeal. The Board must grant or deny an appeal within (5) days of receipt of the written appeal unless additional time is needed to complete their due diligence.

X. Team Rosters and Eligibility Reports

Each team is responsible for submitting their official WCLL Team Roster electronically within the team's online administration page of the league website by February 1 of the current season or by their first game, whichever is earlier. Teams are to update their rosters ONLINE when there are additions or deletions. Players whose names do not appear on a team's online roster will not be eligible to play in league games until the Team Roster is updated and approved by the President. Players listed as either "**suspended or ineligible**" on the team's online roster are not allowed to participate in games until their eligibility has been approved by the President and the player is listed as "**active**". All players listed on a team's online roster must adhere to the rules outlined in Section VIII.

Teams must also submit the official WCLO Roster Verification Form to the league President by February 15th or before the teams' first contest. This form must be certified by the campus registrar.

XI. Game Guidelines

Rules: All league games will be played according to NCAA Rules - Official Rules for Women's Lacrosse, minus the shot clock. For games involving two WCLO opponents, the league will follow the current WCLO policy regarding length of play, overtime and timeout rules.

The home team will provide a properly lined regulation field that will be available one hour before game time. It is the responsibility of the home team to make every effort to fix these issues before the game starts. If the field issues cannot be resolved prior to the start of the game, both teams must be notified of the issues and can agree to proceed with the game. In addition, formal complaints should be elevated to the assignor after the game so that field condition issues can be addressed for future games.

Red and Yellow Cards: The league will follow WCLO rules regarding penalties for players and coaches receiving green, yellow or red card(s) in a game. Any player or coach who receives a red card or two yellow cards in one game will be ejected from the game. The offending team is also required to notate carded players and/or coaches on the electronic score report form when submitting the game result on the league website. The league will follow current WCLO rules regarding follow-on game suspensions for the type of card received in a single game. Failure to withhold a suspended player (as a result of cards received in a previous game) will result in an

automatic forfeiture of the game(s) in which the player played. The league will follow WCLO rules regarding penalizing a team for failing to withhold the suspended player. Should a team have played the suspended player for multiple games without withholding the player and the WCLO rulebook does not cover such a circumstance, the President, with the advice of the Board, will decide on an appropriate punishment.

For good cause, the President has the right to suspend a player for additional time for conduct deemed extraordinary or detrimental to the spirit and/or safety of the game. The length of the suspension will be determined by the President and approved by the Board. The ruling of the President is appealable.

Please note that suspensions for any reason will carry over into the following season as applicable.

Ties: No ties. Teams must complete games and secure a winner. Golden goal format.

Trainer: Each home team is strongly encouraged to provide a Certified Athletic Trainer (ATC) or a student-trainer, or EMT for each game. The league strongly encourages its members to have access to an Automated External Defibrillator (AED) at all games. Further, the league strongly encourages its members to ensure that players exhibiting concussion-like symptoms be cleared by a certified medical professional prior to re-entering a game. The league will assume no responsibility for the medical advice and/or services provided by the medical staff hired by its members.

Goals: Official NCAA game goals, in good condition and approved by both officials. Home team is responsible for set-up.

Facilities: Access to bathrooms, showers if possible, housing information (on and off campus) with detailed directions to accommodations and fields.

Equipment: The home team is responsible for making every reasonable effort possible to provide the following equipment for games: score table, score indicator, an air horn, time clock, water (coolers, bottles, cups, etc.), ice (for injuries) and game balls. If the trainer or any of the equipment listed above cannot be provided by the home team, then the home team should notify the opposing team of the exceptions 24 hours prior to the game, so the visiting team can come prepared.

XII. Uniforms

Each team will have uniforms with numbers on the front and back as provided per WCLO, Women's Division College Rules regulations. The home team will wear light and the visiting team will wear dark color jerseys unless otherwise agreed to by both coaches and umpires prior to the game. The non-complying team is responsible for wearing pennies in the case of similar colors.

XIII. Forfeits

It is the expectation of the league that members will complete their scheduled contests according to league rules. When possible, teams should consult the Commissioner and notify the opposing team(s) in advance of any possible forfeit. The below guidelines apply to contests ruled as a forfeit in advance of or after a contest was scheduled/played.

A. Penalties

1. First Forfeit: \$100 fine, and a 1-0 victory for the opposing team
2. Second Forfeit: \$200, and the same 1-0 loss as listed above, but the team will also be ineligible for playoffs, and the team is placed on probation for a period of one year from the date of the second infraction. In addition, after a second forfeit, a team will not be allowed to host a playday for the

following season.

3. Third Forfeit and subsequent forfeits: Team is fined \$300 for each additional forfeit. Their divisional status is up for review at the league meeting. To gain entry into the league the following season they must:

- i. Submit a letter to the commissioner to state why they should be allowed to continue their membership in the league
- ii. They are ineligible for playoffs and ineligible to host a tournament or play day for the following season
- iii. They are required to post a \$500 bond payment to the league treasurer at the league meeting. The bond will be deposited into the league bank account and held by the league as collateral to ensure the team fulfills its obligations during their next season. Should the team fulfill their league requirements as determined by the President and/or Board, the league will refund the bond amount at the end of the season.

4. For good cause, the President and/or Board can increase or decrease the above penalties in the best interest of the league. All rulings are eligible for appeal by the offending team.

5. It is the responsibility of the forfeiting team to pay for the officials hired for the game, including travel costs - as outlined in the WCLO Umpiring Fees and Policies document. Failure/Refusal to do so will result in the offending team being placed on immediate probation and call for an immediate review of the offending team by the Board. Penalties for not paying for officials, including travel costs, include but are not limited to expulsion from the league.

B. Forfeit Scenarios

1. Failing to appear at a game within 10 minutes of start time without notification of delay will result in a forfeit. It is the responsibility of the host team to provide a reasonable method of notification for the visiting teams.

2. Any team refusing to play any league match for reasons other than weather, field availability, or umpiring availability will be put on league probation for up to one calendar year.

3. The failure to arrange for rated officials or failure to ensure that officials are assigned to a league game by the host team is a forfeit.

4. Use of an ineligible player will result in the team's automatic forfeiture of the game(s), possible probation from post-season league play, and the individual may be banned from all League activities (see Section VIII).

5. Failing to notify the opposing team or prior discussion with the opposing team of insufficient roster count in order to play a regulation game will result in a forfeit. If both teams are properly notified and agree with the situation, the game may move forward as normal.

6. For good cause, the Commissioner or Board reserves the right to rule a game a forfeit for reasons not limited to what is listed above. Appeals with regard to forfeits should be submitted in writing to the Commissioner.

C. Definition of League Forfeits

1. **Standard Forfeit:** The game in question is not played on the day or at the time or in a situation agreed upon by the league and both teams involved.

2. **Administrative Forfeit:** The game in question is played and would have counted as a league contest except for an administrative problem encountered before, during, or after the fact.

- i. Such a forfeiture might include, but is not limited to, failure to pay dues by a predetermined date, continued use of an ineligible player, failure to withhold a player(s) suspended from a previous contest, failure to reschedule canceled games within 72 hours, change/add/drop league games after the league schedule has gone final without President's approval.

D. Forfeit Scoring: If the winning team was in compliance with league standards at the time of the contest, the score shall remain the same. If the winning team was not in compliance with league standards at the time of the contest, a forfeit loss (1-0) will be recorded. If no game is played and a forfeit is granted by the league the score will be recorded as 1-0 in favor of the team who was in compliance. Depending on the circumstance, the Board can rule a game as a no contest.

XIV. Season Play Period

League play will conclude one week before the WCLL Playoff date, unless given special permission from the Commissioner. The actual date for each season is to be determined at the Fall WCLL meeting.

XV. Post Season Activities

League Championships

The top teams in the Black Division will be invited to the WCLL Championship. The Board will invite additional at-large teams to fulfill the tournament field (for a total of eight teams). Teams will be given at-large bids based on league standings and strength of inter-league play within the WCLL. The at-large selections shall be voted on by the Board. All of the teams selected to play for the Championship will then be ranked against each other based on overall league performance by the Board to determine tournament seeding. Regulation games against Division I and Division II members may be considered for at-large playoff bids. Games against non-WCLL member teams are not considered for at-large playoff bids.

Proposals to Host League Playoffs

Teams may submit bids to host Championships to the President, to be voted on at the Fall Meeting. Proposals to host should include a detailed budget of ALL anticipated expenses. New teams must be voted into the league prior to the season. Provisional teams may not vote. No vote may take place on a proposal without an opportunity for discussion or commentary by the population of voters who will cast the vote. A team may use a proxy to vote if they submit this request to the President prior to the meeting.

Tie Breaking Procedures - Voting:

1. **General Voting:** In the event of a tie on a vote by the full membership, the Board will vote to break the tie.
2. **Board Voting:** In the event of a tie on a vote by the Board the President, Secretary/Treasurer, and Vice-President will vote to break the tie. In the event that the President, Secretary/Treasurer, and Vice-President are unavailable to vote or have a conflict of interest that prevents them from voting, one additional person will be added (by order of tenure of serving within the WCLL Constitution) until a three person quorum is available to vote.

XXII. Assignor

The Head Assignor will be a non-voting member on the board. The Head Assignor will communicate with all regional assignors to communicate the rate to be paid, based upon the type of game set up (stop clock/running clock).

XXIII. Dues

Amount:

The amount of dues is to be determined by WCLL based on the predicted operating expenses set in the budget. The budget for the league is to be reviewed, modified, and approved by members of the league.

The amount is determined by identifying the costs and dividing it by the number of teams in the league, petitioning teams excluded.

League member teams are also required to pay annual WCLO member dues as part of their requirement to be WCLO members. Please check the WCLO website for deadlines to ensure annual compliance.

When possible, the league will attempt to coordinate seasonal expenses (WCLL dues, Assignor Fees, WCLO dues or other) into one payment from the member and coordinate payments to the relevant payee(s). This is intended to alleviate the administrative burden to teams.

Payment Schedule:

Dues will be paid on or before the date set by the Board for that season.

Failure to pay league dues by December 1st will result in a fine of \$5 per day until the check is received.

Method of Payment:

Dues are to be paid by checks issued by College or University accounts on behalf of the women's lacrosse team. Personal checks will be accepted. If a check is returned due to insufficient funds, payment is then required in the form of a cashiers check or money order for the amount of dues plus the service charge incurred by the league. Dues may also be paid via bank transfer, credit card, or other arranged electronic payment methods.
